

ZOOM WEBINAR #1

Introduction to the Proactive Care Coordination Assistant (PCCA) Program

WEDNESDAY, SEPT. 25, 2024 | 12:00-12:45 PM

Join us for our first webinar in this series designed to introduce you to the innovative Proactive Care Coordination Assistant (PCCA) program, an outreach initiative aimed at ensuring that patients don't fall through the cracks.

This session will provide a comprehensive overview of the PCCA program, shedding light on its critical components such as:

- The core outreach groups
- The PCCA rotational model
- Program level goals and evaluation
